SUPPORT FUNDING FOR THE DISPLACED

WHO WE ARE?

- **ISTIDAMA** is a Lebanese non-profit organization specializing in initiating and managing sustainable development projects across all regions of Lebanon.
- In light of the unprecedented humanitarian crisis in Lebanon, Istadama is currently involved in providing aid (pillows, blankets, food, medications, sanitary items, clothes and shoes) to the displaced who are staying under dire conditions in schools, centers and apartments (Crisis Support)

HOW DOES ISTIDAMA WORK?

Building on its ongoing efforts since 2024, ISTIDAMA has once again mobilized to respond to the current emergency, in partnership with Plan International, one of the world's leading development organizations.

Our distribution efforts have focused on families living in over-crowded shelters and apartments rather than the schools and centers that are being serviced by the Ministry of Social Affairs and High Relief Commission. We have grouped these apartments and shelters into clusters in various towns in Mount Lebanon, Bekaa, the North and the South.

We have been able to assist those hard-to-reach-families outside of the schools and centers thanks to our wide network of volunteers that we work with in all areas of Lebanon.
